

## **ON-LINE SEARCH HELP**

**Only the options displayed in the “search by” dropdown are available. We recognize our obligation to keep information secure and confidential, therefore, we are not offering name look-up at this time.**

**A brief description and format is listed below to assist you with your search. You may begin a fresh search at any point by making a new selection in the “Search By” dropdown and entering new data. Click submit and new results will be displayed.**

<b>TAXPAYER ID</b>	6-digit number found in upper right corner of tax bill. This is a unique Personal Identification Number (PIN) assigned to join multiple bills together for a taxpayer. It will display all personal property and real estate tax bills assigned under that PIN.
<b>BILL NUMBER</b>	7-digit number found upper right corner of tax bill. Only the unpaid and paid bills for that specific personal property or real estate account will be displayed. If you wish to pay more than one bill, you will need to do a bill search for each tax bill.
<b>PARCEL NUMBER</b>	Applies to real estate only. A 17-digit number found upper right corner of bill. Enter numbers only. No dashes or periods. This will display unpaid and paid taxes for that parcel only.
<b>ACCOUNT NUMBER</b>	Applies to personal property only. A 7-digit number found upper right corner of bill. This will display unpaid and paid bills for that account only.
